Principal's Report

At Lincoln

Let's be:

Kia:

Respectful

Whakamana

Reliable

Whakapono

Supportive

Manaaki

Resilient

Manawaroa

Seek the highest good

Tēnā koutou

We have been working on Positive Behaviour for Learning (PB4L) for two years and are beginning the “roll out” to students. It has involved developing a behaviour curriculum which we all live by. After extensive surveys and discussions with staff, parents and students, four behaviour expectations have been developed: respectful, reliable, supportive, and resilient. Our desire is to ensure these behaviours are present in each and every member of our school community both in and out of the classroom.

We have held four special level assemblies this term where Tracy Drost and Marc Moore, parents of the victims of the 2016 Boxing Day crash spoke to the students. The driver of the car also came to the junior assemblies. It was a very

emotional, moving and direct presentation of what it felt like to suffer the loss of a child/friend when the kids had made a silly decision resulting in the death of three young people. The effect was profound with students realising the impact of such a decision. Comments like “I will never drive with passengers” “I won’t sneak out at night”... were heard as the students left the hall. The parents talked about “anonymous narking” as a way to help friends and ensuring kids that it is ok to alert adults if they know something that may impact on the safety of others. We are sincerely grateful to Tracy, Marc and the driver for giving up their time to share their feelings and experiences with us.

While the senior students have been sitting NCEA exams, the juniors have been busy with a wide range of activities. There have been a number of successful House events at lunchtime which our enthusiastic Junior Council have organised. It was a pleasure to see the Adopt a Scientist presentations, with our students inviting their scientists in to the presentation evening — it was a very professional and polished evening with outstanding commitment and enthusiasm from all the students. We thank our Science teacher, Dr Rose Travis for her commitment to ensuring the programme was very successful. It was a very proud evening for all concerned. Our Year 10 Drama students produced wonderful performances for parents and teachers under the watchful eye of their very talented and dedicated teacher, Mrs Sandra McLean. It was a pleasure to watch the students in action.

Continued over

Principal's Report

The challenge to our students is to ensure they get involved in the wider life of the school – there is plenty on offer! The Secondary School Sports Census has reported a 5% increase in participation in sport at Lincoln High School this year which is extremely pleasing and credit goes to all those involved in making sport possible in the school.

With Xmas almost upon us, I wish you all a safe and merry festive season and look forward to working alongside the Lincoln High School community in 2018.

Nāku, nā

Kathy Paterson
Principal

Final Day of the Year

School finishes on Thursday, 14th December at 11:40 am. The morning will include an end of year celebration assembly and students who have gained industry, class or distinction awards will receive these certificates. The buses will run at 11:40 am.

Stephen Rout

Deputy Principal & Head of Level Year 11

Library

An exciting update since the last newsletter is that we now provide access to a substantial **audiobook** collection (525 items) as well as our **eBooks** (1848 items). Both collections are available via our ePlatform hosted by Wheelers. Instructions on how to borrow both types of resources are available on our library homepage (via the school portal). Alternatively, we have bookmarks with instructions for using the Wheelers ePlatform app. eBooks are an excellent source of holiday reading as they can be accessed anytime, anywhere. Likewise, what better accompaniment to a road trip than listening to an audiobook.

On a less exciting note, a significant number of library books and English class texts need to be returned to the library before the end of the year. Please note that replacement costs will be added to school accounts for unreturned items.

As the academic year winds down, Library staff wish staff, students and their families, a happy and safe holiday.

Bronwyn Rickerby

Head Librarian

Yr 11-13, 2018 timetables

Students will receive their 2018 timetables on their first day next year. There are no course confirmation interviews in January for Year 12 and 13 students. Timetables will align with teacher recommendations that students gained this year at the time they were selecting their courses.

NCEA information:

NCEA Assessments and Holiday Absences

Early next year all Year 11, 12 and 13 students will receive an NCEA Assessment Procedures Handbook. This booklet refers to entitlements for catch-up opportunities for NCEA assessments. In preparation for next year, it is important that students and families realise that if a student misses an NCEA assessment due to a family holiday (during the school year), they are **not** entitled to a catch-up opportunity.

NCEA and New Zealand Scholarship 2017 Results

The following information is from NZQA (www.nzqa.govt.nz).

- NCEA students need to remember that NCEA results (including exam results) will only be reported online (unless they have requested a result notice through the Learner login prior to 31st December).
- Students will be able to access their NCEA results in mid-January 2018.
- Students who have never logged in to the NZQA secure learner site should register now using their National Student Number (NSN) and date of birth.
- Reconsideration and Review forms will continue to be available from the Learner login area only and will be available after exam papers have been returned to students in January. Applications for a review or a reconsideration of the 2017 external examination results close on 16th February 2018.

Further details are available [here](#).

- Ordering your results documents is done online. The Record of Achievement will not be updated with 2017 results until mid-January 2018. It will then be available in electronic format through the Learner login. Students are entitled to one hard copy free of charge, with further copies costing \$15.30 each.

Further details regarding ordering results documents are available [here](#).

- Year 11-13 Students who have a permanent change of address from December onwards need to inform school and also NZQA on 0800 697 296 before 31st December in order to update their details, to ensure their exam booklets get sent to the correct address. NZQA send out the exam booklets in January 2018.

Continued over

Scholarship information:

- Students will be able to access their NZ Scholarship results in mid-February.
- Reconsideration and Review forms and NZ Scholarship monetary award application form (where appropriate) will be available from the Learner login.

Tony Melton

Assistant Principal & Head of Level Year 13

Uniform Shop

The shop staff and PTA volunteers have been kept very busy over the past few months with uniform fittings for next year's Year 9 Cohort and also with families purchasing extra items ready for next year.

The collection day for all Year 9 pre-orders is on Tuesday 19th December between 1pm and 7pm (from the hall). Uniform must be paid for in full before they can be collected.

We are excited that we will have two year levels (Year 9 and Year 10) wearing the new uniform next year. All 2018 Year 9 and Year 10 students must be in the new school uniform (not the old green uniform).

This is only available from our Uniform Shop, which is located at Lincoln High School behind the school hall (entrance off North Belt).

The uniform shop will be open in January on the following days:

- Wednesday 24th January: 10.30am – 2.00pm
- Thursday 25th January: 3.00pm – 7.00pm
- Friday 26th January: 10.30am – 2.00pm
- Saturday 27th January: 10.30am – 2.00pm

Normal term time shop hours for next year are as follows, commencing Tuesday 30th January 2018:

- Tuesdays 10:30am -2pm
- Thursdays 1pm - 5pm

Payment options available at the Uniform shop are cash, cheque, Eftpos and credit card (2% surcharge applies for credit cards).

Should your son/daughter require a full new uniform, please contact the Shop Manager, Lyn Elley, by email to arrange an appointment time for a fitting lel@lincoln.school.nz

Lynette Elley

Sports Administrator (Mon & Wed) & Uniform Shop Manager (Tuesday and Thursday)

Lincoln High School—Second Hand Uniform Sales

The PTA is continuing to manage sales of second hand uniforms for our old uniform, which next year will still be worn by Years 11 and 12. If you have some uniform items that are no longer needed, then the PTA would like them for their sale. If you would like the PTA to sell your uniform on your behalf, then please drop it into the office as soon as possible. As we have limited space and a decrease in demand for the old uniform, we can only take uniforms that are of good quality.

We are having a sale at the start of next year on Friday, 26th January, from 9am to 12 noon. The sale will be in PA1, which is next to the hall. Please note that Eftpos is not available.

Any unsold garments may be collected after the sale, or donated to the school. For those who already have uniform in the shop, you will be contacted at a later date as to what you want us to do with your unsold articles. If you have any questions, please contact the Second Hand Uniform Shop Co-ordinator: trish@gilberts.co.nz

Stephen Rout

Deputy Principal & Head of Level Year 11

Distributorsdirect will be at The Lincoln Event Centre on 25th January from 3pm until 6:30pm to enable parents to purchase the "old existing uniform" for their students.

We do carry stocks of this uniform, but as time goes by, the demand is less. It would help if parents who know what they may require, could email us with those requirements, so that we can meet the demand on the day.

We have 6 blazers left @ \$175.00 to clear.

A small selection of rain jackets in S ,M and L @ \$100.00 . We can no longer get the green "Lincoln" fabric to produce any more.

Bruce and Stephanie Watson (Directors)

distributorsdirect

Selwyn Lions Club Project — Clothing labels

What is the cost of clothes that are lost in Pre-schools, Schools, Rest Homes, etc?

Selwyn Lions Club have instigated a project in conjunction with www.nameit.co.nz to assist you with an easy way to name all necessary clothing and at the same time you support your community.

It is easy – go on-line to www.nameit.co.nz and work out which type of labels you require (Iron On, Sew On, etc), complete an order and delivery address, give your payment details and **most importantly give the Selwyn Lions Fundraising Code of: SELWYNLIONS** It is as easy as that. Your labels will arrive within a few days to your home address. When you use the above fundraising code, you will immediately get a 5% discount on your order.

Congratulations

Baylee Williams and **Jaimie Hawley** have been selected to represent Mainland Football in Wellington in December for the National Age Group Tournament.

Katie Ranger has won a Bronze Medal in the 2017 South Island Schools Karate Championships held in Christchurch in October.

Nikita Smith and **Charlotte Walker** won 2nd prize, **Taylin Smith**, 3rd prize and **Jessica Crossman** received a Merit for the essays they wrote. These essays were put into a book called the “Collection of Winning Essays from the Eleventh NZ Chinese Essay Competition 2017”.

Yuchen Lyu received 2nd prize in Calligraphy , and **Taylin Smith, Daisy Han, Annika Wilson** and **Janelle Kwan** received 3rd prize in the Hard Pen at the 8th NZ Chinese Calligraphy Competition.

Apology

Tia Betteridge competed in the recent Synchronised Swimming National Championships. She was in a team for 13—15yrs swimming for Small Strokes Synchro Club, and her team won a Bronze Medal. Unfortunately, the school was sent the wrong photograph of Tia. We apologise to Tia for the mistake.

Please note: while we attempt to publish all the details that we are aware of, we are largely dependent on the wider community for information about student achievements. Please feel free to contact us if you have such information.

Rachel Meadowcroft

For her continued hard work and determination for students to succeed.

Debbie Jones

Outstanding work associated to the HED curriculum and for her communication to parents via the school newsletter.

Doug Aitken

For his contribution and commitment to Outdoor Education.

Janine Shepherd

For her contribution and commitment to the organisation of Reader/Writers for students during assessments.

Sandra McLean

In acknowledgement and recognition of her commitment and hard work. Sandra is an exceptional teacher who always goes above and beyond.

Kerri Sullivan

Recognition of commitment. Kerri is passionate about making a difference for young people struggling with English/Literacy.

Canterbury A&P Show

LHS was well-represented again at the recent Canterbury A&P Show, with a team of six students involved with the beef cattle section. They worked with the local Piwakawaka Limousin Stud (Gary Kennett—staff).

The Show promotes youth involvement through handler, judging and school teams' competitions and is a regular and well supported part of the cattle programme.

The students were required to prepare the animals before the Show (e.g. leading, preparation, grooming), be responsible for the animals during the three days (e.g. mucking out pens, feeding and watering, washing, grooming), and parade the animals in various competitions. There were some very early starts for the students!

In the Handler Competition, Emma Owen (Year 13) came second in her class. Emma led a yearling heifer and paraded it very competently.

Newcomer, Rhys Lilley (Year 10) who had very little previous experience with handling cattle, did well in his Junior Novice section.

In the Schools' Teams Competition, Lincoln HS gained a creditable 3rd against some more experienced competition. The team used larger cattle and included four members rather than the three that all the other teams had. The team consisted of Emma Owen, Karina Lilley, Zoe Bain and Elise Elliott. Natalie Lilley assisted the team with preparation.

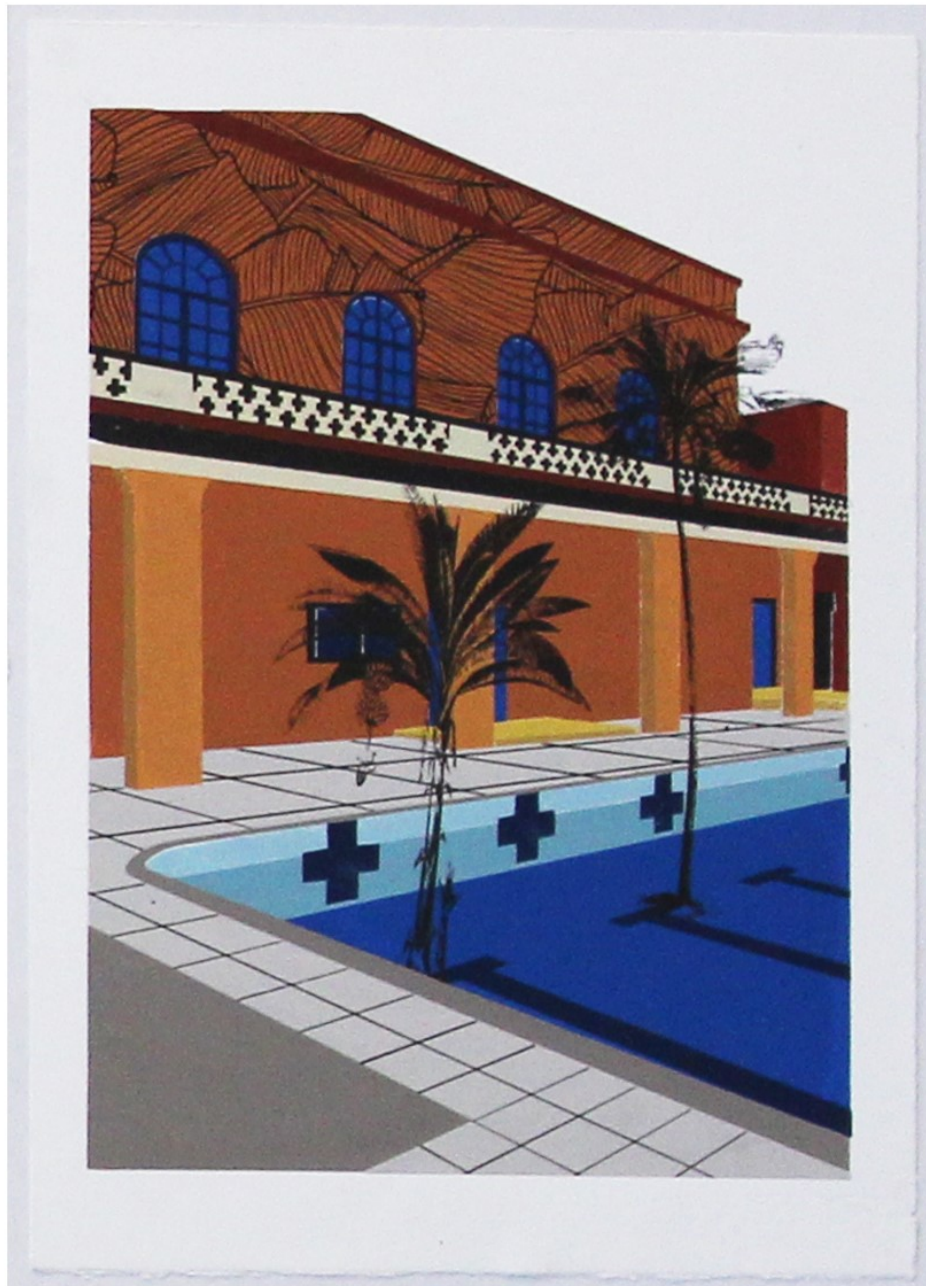

Other highlights were their involvement in the Cattle and Grand Parades where hundreds of animals are paraded around the main arena.

A number of other Lincoln students were involved in the dairy cattle section. These included Adam & Will Gualter, and Jody Hardwick.

It was a wonderful Show and it was very pleasing that Lincoln was involved and well-represented. With many Lincoln families having strong connections with the rural community, students were enthusiastic to be involved.

Sussed – Study Link

It is important that if you require a student loan or allowance that you have begun the application process. The sooner that you look at and complete the Sussed Online tool, the better. Applications for loans and allowances should be made by 16th December. Please go to www.studylink.govt.nz for further information about applying for the first time as this requires a range of information which includes providing identity.

University of Otago Course Planning

Monday 4th December to Friday 9th December the University Liaison Officer, Prajesh Chhanabhai, will be in Christchurch for one-on-one course planning. This is to be held at the Chairman's Suite, Addington Events Centre, Twigger Street, Addington, Christchurch. Times are 9am to 4pm. If this interests you please book an appointment by calling 04 460 9805, or emailing margaret.tobin@otago.ac.nz.

University of Otago

Applications for first semester start for new students is due by Sunday 10th Dec.

University of Canterbury

Applications to enrol are due by Sunday 10th Dec.

Massey University

Applications to enrol for new students close 26th January except for selected entry programmes. Please see the following for selected entry due date <http://www.massey.ac.nz/massey/admission/enrolment/dates/2018/2018-se.cfm#AdvLeader>

Victoria University of Wellington

Recommended enrolling by 10th December. Applications to enrol for new students closes on 20th January, except for limited entry programmes which close by 1st Dec. Please see the following for limited entry courses

<https://www.victoria.ac.nz/study/programmes-courses/limited-entry>

Auckland University

Undergraduate application closing dates can be found here <https://www.auckland.ac.nz/en/study/applications-and-admissions/how-to-apply/undergraduate-application-closing-dates.html>

Best wishes for the holiday season to all our students and their families and whanau from the Careers and Pathways Team. Come and visit us at the Careers Hub at some stage! Students taking exams are wished every success, and a reminder that if they are concerned about what their results might be, to get in touch with their Tutor for help and advice.

Fiona Bamford

HOD Careers and pathways, TIC French and Junior Tutor

Gateway

Congratulations to Shauna Chappell, winner of a Highly Commended Fairview Gateway Scholarship.

Shauna completed her practical placement at Blackwell's as part of her Gateway placement and is now employed as an Automotive apprentice with Blackwell's.

Gaye Gray

Gateway Co-ordinator and Work Experience Co-ordinator

SADD **Students Against Dangerous Driving**

Throughout Term 3/4 our SADD group which promoted Students Against Dangerous Driving were very busy. They promoted "Remember September" a SADD initiative. At lunch on Tuesday 19th September, Lincoln's SADD representatives went around the students and asked them a variety of questions surrounding dangerous driving. If answered correctly, the students went in a raffle draw to win a bag of goodies our SADD representatives put together! The day was a success with heaps of raffle applicants!

They also visited LINC groups across the school to spread knowledge and gain understanding around being safe whilst around driving and cars. Within the prizes a special tyre safety keyring was included which was kindly donated by the NZ Police and NZ Transport Agency. These are useful tools to check tyre treads.

Below are some pictures of our busy reps and them approaching students at lunchtime whilst building great relationships and spreading the safe messages.

Ka Pai SADD Team for a great job promoting being safe!

Debbie Jones

Assistant Head of Learning Area: Health & Physical Education

Confucius Institute Prizegiving

There are eight Confucius Classrooms in the South Island and Lincoln High School was awarded the Confucius Classroom of the Year award on Tuesday evening 21st November 2017, at the Confucius Institute Prizegiving held at St Margaret's. This is for the work in the Selwyn Community with the Year 7-8 Chinese Programme, which has 550 students taking weekly Mandarin through the programme, and also for the high achievement of Taylin Smith competing in the World Chinese Language Competition this year.

This is the second time Lincoln High School has had the honour of winning this award.

Taylin performed her Chinese dance at the Prizegiving.

Lincoln High School was also awarded the best school for Calligraphy in the 8th New Zealand Chinese Calligraphy Competition 2017.

In the South Island there are 127 schools which offer Mandarin, and now there are 14,000 students in the South Island learning it.

Terina Yee
TIC Chinese

Year 9 Enrichment Students

Edward Lopas, Jack Dowle, Jacinda Riley and Ellie Walker are working with expert Chris Woods from the National Institute of Water and Atmospheric Research (NIWA Taihoro Nukurangi), which was established in 1992 as a Crown Research Institute. Students are surveying sites at Cass Bay using sieves and 50 x 50 quadrants to determine any differences in organisms which reside along this particular coast line. The photos show students laying out the quadrant and identifying species present. Their results will be presented at the end of Term Four.

Scientist – Dr Chris Woods Marine Ecologist at NIWA offices

Title – Rocky Vs Sandy, The Age Old Question

We are studying the differences in sea life in sandy shores and rocky shores. We take a tally of everything that we find in 50cm X 50cm quadrants and finding the differences between the two shores. This is to find which are the better conditions for living in the two shores.

These photos are us taking tallies of the things we find in the sandy beach. We take tallies of a quarter of the quadrant, so the things we find will have to be times by eight.

Jack says – “So far I have enjoyed going out to the beach and doing something instead of doing an experiment inside and getting no Vitamin D”.

Edward says – “Same here. I have enjoyed the project so far and am liking the responsibilities that this task takes and enjoy going to new places like Cass bay and getting those Instagram-worthy photos”. We are mixing real data collection with science and technology to spread the news of what we are doing and why.

Jack Dowle and Edward Lopas

Title of our project: **Rocky shore vs Sandy shore comparison**

We have been comparing the marine life in rocky shores and sandy shores at Corsair Bay and Cass Bay. We use a 25 x 25 square quadrant for the area where we take the data from. We roughly divide the quadrant by four and we dig $\frac{1}{4}$. Whatever we find we record down and times by eight. We use this method on the sandy shore. We dig three quadrants in low tide, mid tide and high tide. On the rocky shore, we use the same quadrant. However, we do not divide into four. We record what we see straight away/exposed. We then turn over rocks and record the hidden marine life. The photos show us completing our research and collecting data for analysis.

We have enjoyed so many things so far in this investigation. We have both enjoyed going out to the beaches, discovering interesting marine life and Ellie enjoyed holding a non-nipping crab, whereas I screamed, as it was hard, but also slimy!

Jacinda Riley and Ellie Walker

Sports Awards

Congratulations to the following students who received Certificates for their Sports Achievements:

Zonta Sports Awards 2017

Mason Stearn	Outstanding individual achievement by a young sportsman specialising in one sport.
	Valued contribution to a team by a young sportsman

Olivia McMann

Caroline and **Lexi Richards** competed in the South Island Combined Events Athletics Competition in Timaru on 11-12th November. They participated in a Heptathlon, which comprises seven events. It was Caroline's first Heptathlon, and Lexi's third.

U16 Heptathlon

Caroline Richards 3181 points

200m 28.55, 600m 1:48.60, 80m H 14.60, HJ 1.36m, LJ 4.47m, SP 7.16m, JT 18.0m

U18 Heptathlon

Lexi Richards 3318 points

200m 28.89, 800m 2:55.89, 100m H 17.50, HJ 1.42m, LJ 4.49m, SP 8.25m, JT 27.8m

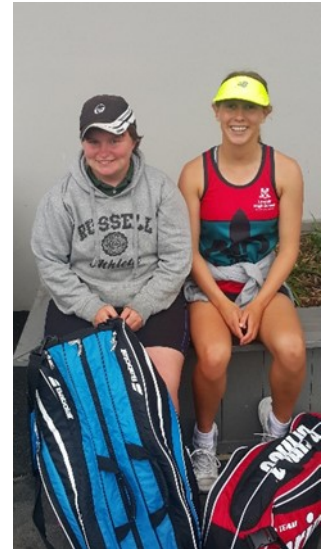

Tennis

Congratulations to Olivia Wrathall and Sophie Lancaster, who competed at the Canterbury Secondary Schools' Tennis Tournament. Olivia completed a double by winning the Year 10 Singles Competition and then partnered with Sophie to win the Doubles Competition. Back to back games over two tough days of competition did not tire these two and they had a well deserved result.

Karen Urbahn

Sports Administrator

WE NEED YOU to Coach/Manager/Supervise.

We are indebted to many people in our community who help our students enjoy sport. It is great to have people give back to their sport here at Lincoln High.

Would you be able to help provide SPORTING OPPORTUNITIES for our students.

We need the Students, the Parents, our Teachers and local Sporting Communities to work together so we can see our students grow, enjoy and succeed in sport.

If you are able to assist in any way, we would love to hear from you.

Please contact Craig Crawford: ccw@lincoln.school.nz 021 325 611.

2018 Sporting Opportunities – Let us know what you want to play!

In an effort to be prepared to support students sport choices for next year the Sports Department are requesting that students sign up this term for next year.

This will enable us to be ready to provide a great experience for each student in their chosen sport.

Please **fill in this survey:** <http://bit.ly/2fuOhqs> or visit/contact the SPORTS OFFICE to sign up. Students will then be listed on the database for their chosen sports to receive information as it becomes available.

Sport Uniforms

We have some sport uniforms that still need to be returned – please check to see if you have any uniforms at home and organise their return, so that we can use them again next year.

School Sport Information

Get the **School Sport Canterbury App.** to see draws, venues and results for all Lincoln High School teams playing in School Sport Canterbury competitions:
