Principal's Report

Kia ora

Welcome back to 2018. We started this year with a total roll of 1540 students which included 236 new and excited Year 9 students. We thoroughly enjoyed hosting almost 200 parents/ caregivers of the Year 9 students this week to introduce them to “how we do things at Lincoln High School” and we warmly welcome them to our school.

We are very pleased with our provisional NCEA results for 2017 with high pass rates in all three levels of NCEA. Again, this year it was extremely pleasing to see the high Excellence Certificate Endorsement results at Year 11 (19.4%) and Year 12 (17.7%). Over 59% of Year 11 students received an endorsed NCEA certificate which supersedes our previous best results at Year 11.

Our school council, led by our Head Students, Gabriel Clarke and Petra Campbell; Deputy Head Students Carlito Shalfoon and Taylin Smith, have started the year strongly with lots of dreams and ideas for the year ahead. The council have contributed their time and enthusiasm to Camp Quality and have already shown their willingness to give freely of their time and energy for the school.

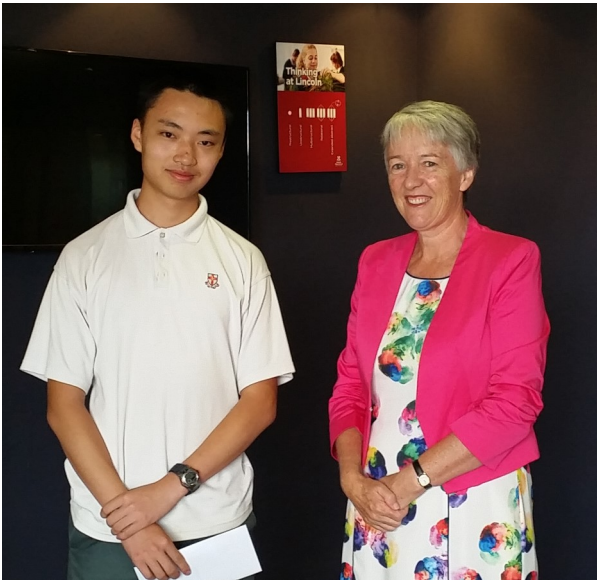

We have made a number of changes to the reporting system this year. You will shortly receive the first of our behaviour and attitude reports which will come out on average twice a term. We will continue the Meet the Teacher evening at the end of Term 1 and the start of Term 2 where you can book a 5-minute appointment with the subject teachers. At the end of Term 2 the students and their parents will be invited to a 15-minute meeting with the student's Linc teacher where they will review progress, goals and achievement in all subjects. The Parent Portal will continue to be a source for attendance data, school reports and assessment grades at all levels and you are encouraged to visit this regularly.

We look forward to working with all students and their whanau and ask that you contact us if you have any concerns as we are committed to working with families to make the most of every student's education at Lincoln High School. I also thank those who have taken the time to share positive stories of their experiences at our wonderful school.

PTA

A very warm welcome to all our new students and their families. The group of parents/caregivers who make up the PTA at Lincoln High School meet informally at school generally twice a term. Stephen Rout, our Deputy Principal, is our teacher representative. We continually explore ways in which we can be involved in the school community and make our meetings a social forum for creative ideas, networking with other parents and supporting social/ evening school functions. The school greatly values our feedback which makes the PTA an intricate part of school life.

We are always pleased to welcome new folks to the group on a one-off or a regular basis. Please feel free to come along and join in . Stay current with relevant matters within the school and have your say. Look for meeting dates on the school calendar. To find out more please contact Heather Kay via email: heatherkay@xtra.co.nz

School Buses

A relatively smooth start to the year in terms of buses. The majority of students should now be on their appropriate bus.

Bus Safety Rules

All of our bus students should now have received a copy of the bus rules via email. Please take some time to go through this with your student and emphasise the importance of correct procedures on getting on to and getting off our buses, particularly in 100km speed zones. Bus loadings are calculated by the individual bus companies and take into consideration both seated and standing passengers. We would like to advise that it *is* legal to have students standing in a school bus where the Certificate of Loading allows it. On some of our busiest routes it is likely that not all students will have an allocated seat.

While the buses have set times of departure it is important that students are at their scheduled stops **at least five minutes** before departure. Any changes around buses will be communicated to students via the Lincoln School App.

Re: Transitional transport provision on the opening of Rolleston College

Lincoln High School has been made aware of the transitional transport for eligible Lincoln High Students from the opening of Rolleston College in January 2017 for a five-year period.

We understand that eligible students are those who:

- are currently enrolled students at Lincoln High School in 2016 **OR**
- are students newly resident in the Rolleston zone who may not attend Rolleston College due to the staged opening. For example, a new Year 10 student in 2018, not previously enrolled at any school in the area **OR**
- students enrolled under the sibling grand-parenting clause in the Lincoln High School enrolment scheme (these students will not be eligible for Conveyance allowance when the transport route ceases).

We also understand that this transitional transport provision will cease in 2021, or earlier if student numbers on a route fall below eight students.

If you have any bus issues or queries please contact Richard James rja@lincoln.school.nz

Partnership Between Home and School

We value working with parents/caregivers for the good of the students and an important part of this partnership is communication. Parents/caregivers are welcome to contact us and if you have concerns, the sooner we know about them the better.

At each year level there are three staff who have particular responsibilities for students. The Tutor focuses on the learning needs of students and is also responsible for class placements. The Dean plays a key role in ensuring that students behave appropriately. The Head of Level oversees each level and works closely with the Tutor and Dean to ensure the best outcomes for the students.

Information about student events and emergency situations

www.facebook.com/lhsalerts

This is used for information about things such as events that students are involved in. Comments and questions can be posted. It will also be used in an emergency situation such as when there is an earthquake or unexpected school closure. You do not need to belong to Facebook to view this page.

General information

www.lincoln.school.nz

A lot of information is available via our school website: staff lists, stationery lists, bus information, assessment dates, uniform information, etc. The website is not used for the sort of information posted on the Facebook page.

LHS App

We use this for communicating a variety of types of information.

If you haven't already downloaded it, then we strongly recommend you do. **It is free.**

Download

Search for Lincoln High in the Apple or Android app store and look for our red school logo.

Set Subscriptions

Tap the menu icon top left: 

Choose **Alert Subscriptions**.

Tick the groups for which you would like to receive alerts.

For example, you might choose your student's year level, sports teams etc.

You can change your subscriptions at any time.

iPhone Users

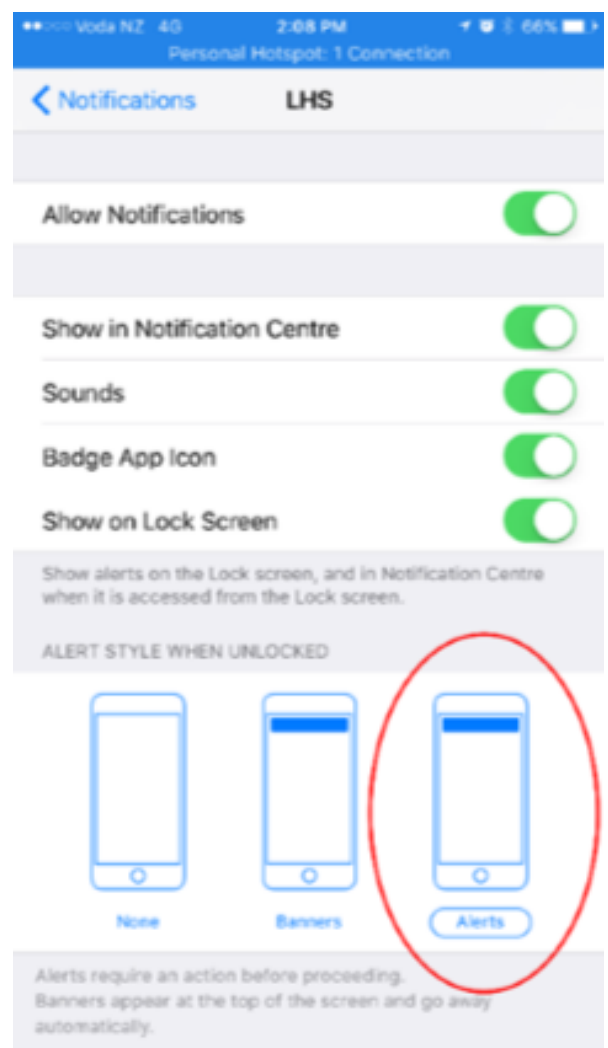

The app works best if you set up the Notifications for it like this:

Open the **Settings** app

Then choose **Notifications**

Scroll down to find the school app: **LHS**

Set the alert style to **Alerts** not **Banners**

Earthquake Response

If there is an earthquake of any size during the school day we have a detailed plan that is put into action immediately. The Senior Leadership team meets straight away to decide what the response should be. This could vary from not taking any further action through to evacuating the buildings and possibly the school. In the event of a more serious earthquake our focus is on the immediate safety of students and staff. As soon as possible we will endeavour to communicate with parents/caregivers through our Facebook LHS Alerts page and the LHS App.

Should students want to leave school we will only permit them to do so if we have permission from a parent/caregiver. We have a system in place to manage that process. If you wish to pick up your student, then please come to our Boundary Road entrance where staff will ask you to complete a form, and then we will bring your student to you.

Student Absences

Any time your student is absent from school, the office needs to be notified, preferably in advance. Absences may be due to sickness, appointments, sports championships, cultural events, bereavements or other family commitments. Notification can be done by emailing absent@lincoln.school.nz or by phoning the school office, phone 325 2121. The Lincoln High School App will also allow you to email and/or phone the school. A message can be left outside office hours. We would appreciate notification before, or on the day of absence. Wherever possible appointments should be made for times which do not cut across class times.

The school will notify parents/caregivers of students who are absent. We will endeavour to communicate prior to 11.30am each day. We will always do our best to ensure that our data is accurate. However, there may be times when we get it wrong and would appreciate your understanding with this.

You have access to attendance data for your student via our school portal. (portal.lincoln.school.nz)

All attendance enquiries will be sent to you via our attendance officer Mrs Jan Brittenden. In order to remain as up to date as possible, we would appreciate responses via email to absent@lincoln.school.nz as soon as possible.

Students Who Become Sick At School

Students who become sick during the school day are required to go to the office where they will be put into the sickbay. If they need to go home the office staff will contact a parent/caregiver to arrange this.

It is not acceptable for students to make direct contact with a parent requesting they are picked up. Please remind your students of the correct process they are to follow.

Please advise the School Office of any changes to your student's medical history e.g. Asthma (use of inhalers) ADD/ADHD (medication), or serious allergies that require first aid assistance.

Contacting Students at School

If parents need to contact their student during class time please do so through the school office. Urgent messages can be got to students very quickly.

We ask that you do not try to contact your student on their phones while they are in class. Students are permitted to have phones at school but they are not to be used in class for calls or messaging.

Students Leaving School During the Day

Students in Years 9 to 12 are expected to stay on the school grounds unless they have signed out through the office or have a lunch pass. To sign out they require a note from a parent/caregiver or an official appointment card. You can also phone or email the school to let us know your student has permission to sign out. Please note that students will not be given permission to go and buy their lunch at the Lincoln shops even if they have a note from home.

Students are expected to stay on the grounds in the morning before school once they have arrived.

School Donation

The first account you receive from the school will show an amount for 'School Donation'.

The funding received by schools only provides for the very basic curriculum delivery. We pride ourselves on offering enhanced learning opportunities for all students. To allow this we rely on contributions from parents/caregivers. Any such contribution paid is a donation and can be claimed annually as a tax credit using the Inland Revenue form IR526.

For 2018, the amounts are:

- ♦ \$150 for one student
- ♦ \$245 for two or more students.

Early Finish Day

On Thursday, March 22, school will finish at 1:15 pm in order for teachers to undertake further professional learning. The buses will run at that time.

Academic Achievement Awards

On Wednesday, February 28, we will be holding award ceremonies acknowledging students who achieved high academic standards in Year 11 or 12 last year. This includes students who gained a Merit or Excellence endorsement in NCEA. Due to the large number of students we need to split the two levels. The ceremony for this year's Year 12 students starts at 7:15 pm, and for the Year 13 students at 5.45pm. The venue is Gym 3. All members of our school community are welcome to attend. Parents of students receiving an award will be sent an invitation.

Peer Support:

At the end of 2017 over 60 Year 12 and 13 students attended the annual peer support training days. The two days consisted of various group learning tasks, activities and preparation for the 2018 Year 9s. On Tuesday 30th January the Year 9s got to meet their peer support leaders for the first time. Here are some photos of how the day went.

The peer support program continues to run until the end of Term Two, so we all look forward to seeing the development and relationships made throughout this time.

2018 Year 13 Graduation Diploma Criteria

During the first Year 13 assembly on 1st February, students were introduced to the Graduation Diploma requirements. The details are listed below. The purpose of the Diploma is to celebrate student learning and engagement.

To gain a Lincoln High School Graduation Diploma in Year 13, a student needs to meet all of the following criteria:

- ♦ Obtain Level 2 NCEA by the end of Term Three, 2018.
- ♦ Obtain an overall average attendance rate of 90% or more, for all 2018 timetabled periods including the Linc periods.
- ♦ Obtain a minimum of 70% of all internal NCEA credits that are assessed in 2018.

Notes:

Due to exceptional circumstances, a student that has not met all of the criteria may be eligible for Principal discretionary consideration.

The attendance rate is based on the periods attended or that have justified absences (e.g. medical absences or appointments, school events and trips, exam leave etc). Absences that do not count towards the attendance rate include unexplained absences, truancy, holidays during term time and unjustified absences in accordance with the Ministry of Education requirements.

The Graduation Ceremony takes place on 1st November.

Involvement in a significant behavioural issue or ongoing misconduct may result in a student not being invited to the Graduation Ceremony.

Congratulations

Congratulations to **Caitlin McKenzie**, Year 13, for her Bronze in the 2.5 km 16-18 year NZSS Open water swim (run in conjunction with Epic Swim) at Lake Taupo in January school holidays.

She also placed 5th in NZSS 5 km Open Water Swim (run in conjunction with the National Open Water race). This placed her 7th in NZ for her age group.

Millie Thompson was selected for the NZL Dressage World Challenge team that competed against 40 other countries. The NZL team won their zone narrowly beating Australia and then their team score put them 1st overall giving them the World No.1 ranking for the 2017 World Challenge Competition. Millie also won the NZI Youth title and finished up 3rd overall in the FEI world rankings.

She has been selected in the South Island under 25 dressage team for the Inter-island Dressage Challenge. The South Island won the first round; it will conclude at the Young Rider Nationals in April.

Cara Higinbottom Year 13 spent most of summer training and going to Perth to attend the 420 Sailing World Championships. She and her team mate Alice Floyd came 22nd overall and 1st NZ Girls out of 18 nations in January.

Cara and Alice also competed in the NZ Youth Trials Part 1 in Auckland this month and came 5th overall. They are both planning going to World Championships again in August in USA.

Congratulations to **Alan Li** for attending the residential Mathematical Olympiad training camp held at University Hall, University of Auckland and for being selected for the NZIMO Training Squad. Congratulations also for winning the Neuroscience Competition, placing First in New Zealand and receiving a Second over all the competitors in Sydney, and attending the Annual Scientific meeting of the Australasian Neuroscience Society Symposium afterwards.

Please note: while we attempt to publish all the details that we are aware of, we are largely dependent on the wider community for information about student achievements. Please feel free to contact us if you have such information.

Helga Senior—In recognition of her level of commitment as Teacher/Tutor. Helga has gone above and beyond to help students behind the scenes.

HOD Careers and Pathways

Gateway—Welcome back. 2018 is set to be another busy year for Gateway. The Gateway Programme offers students the opportunity to work one day a week in the workplace, in an industry in which they have a strong interest. During this time, students also work on industry related Unit Standards and work towards earning 20 NCEA credits.

Lincoln High School has funding for 24 places. Students who are currently in Year 12 and Year 13 are eligible to apply.

Why choose Gateway for 2018?

- ♦ Build and develop skills for employment
- ♦ Achieve NCEA credits
- ♦ Helps students to make informed choices about particular jobs or careers
- ♦ May lead to full-time or part-time work or apprenticeships

In return for their effort, Gateway students will get a taste of what it is like to work in a real work environments, helping them decide which careers are for them. They will also gain practical skills that they can take with them into future employment.

Examples of programmes available include:

- ♦ Z Forecourt Concierge - Retail
- ♦ McDonald's OASIS – Food and Beverage
- ♦ Blue Shirts in Schools – Customer Service
- ♦ Red Shirts in Schools – Customer Service
- ♦ Nazareth House – Hospitality
- ♦ Nazareth House – Introduction to Cookery in a Commercial Environment
- ♦ Airforce Museum – Aviation Engineering
- ♦ NZ Institute of Sport – Sport
- ♦ Harness Racing NZ – Equine
- ♦ Canterbury Aero Club – Aviation (Fixed Wing or Helicopter)
- ♦ Automotive (Heavy Truck, Light Vehicle)
- ♦ Construction
- ♦ Aged Care
- ♦ Maori Cultural Camp, Waiheke Island

If you would like more information about Gateway, please see Mrs Gray at the Careers Hub. (ggr@lincoln.school.nz)

Work Experience

Work Experience is offered to senior students and can provide valuable insight into possible career choices. By taking the opportunity to take part in Work Experience, students:

- ♦ learn more about a job or industry
- ♦ get to see first hand what happens in a typical day on the job
- ♦ get an idea of what you like and don't like about that job
- ♦ improve your chances of finding a job

Studies have shown that young people who had interactions with an employer while at school were five times less likely to be unemployed than those who didn't have the same employer contact. (www.careers.govt.nz)

If you would like to take part in Work Experience, please see Mrs Gray at the Careers Hub. (ggr@lincoln.school.nz)

STAR in 2018

There are a variety of STAR Courses at Lincoln High School that students in Year 11,12 or 13 can attend.

STAR courses aim to:

- Help students gain qualifications that will be useful for future employment (e.g. Site Safe Passport for the Construction Industry)
- Help students to explore career ideas (e.g. Information Technology – Hardware or Software)
- Allow students to have a taste of tertiary study (e.g. Introduction to Bakery at ARA)
- Support student's achievement (e.g. Level 3 Communication and Leadership Course)
- Be a part of a student's learning programme (e.g. 2-day Photoshop Course)
- Motivate students to achieve (e.g. Learners Licence Course)

Please see **Ms Mackintosh** in the Careers Hub if you would like more information, courses are advertised via the LHS App, make sure you are subscribed to the Careers group!

Counselling News

We have a team of counsellors at LHS offering counselling and support to young people. Parents/caregivers and whanau can also contact us if they are concerned about a young person.

Yr 9 Survey and Travellers Programme

Year 9 students will complete a survey early in the year and from the results of the survey we will offer some students the opportunity to participate in the Travellers programme. The programme assists with adjusting to secondary school and helps build resiliency. It is offered in many schools in NZ. Please contact us if you would like your student to do the programme or if you wish to know more about the survey.

Spirit of Adventure Sailing Ship

We encourage young people to participate in strengths-based programmes. See www.spiritofadventure.org.nz as an example. If your young person is interested, contact me for ideas of sponsorship and funding and/or if they wish to talk to other students who have been on a voyage lch@lincoln.school.nz

Selwyn Parenting Network

Offers parenting support, education and activities.

Some family fun days are scheduled and they regularly organise parenting seminars. See their website for information www.spn.org.nz

Counselling team

Towards the end of 2017 we farewelled one of our counsellors, Bronnie King, who had given several years of service to LHS and will be missed by students, staff and families. We welcome **Kate Shanks** to the team. Kate is an experienced school counsellor and we are very pleased to have her join our team at LHS. We also have intern counsellors and visiting counsellors in our area.

Parents/caregivers/whanau are welcome to contact us by phone or email.

Counsellors:

Linda Chapman lch@lincoln.school.nz Carmen Hazlett cha@lincoln.school.nz
Kate Shanks ksh@lincoln.school.nz Rob Macdonald rma@lincoln.school.nz

Phone: 325 2121, if no answer, ask the office person to leave us a message.

Triathlon

Since being named in the Triathlon New Zealand team to compete in the Gold Coast World Champs later this year, Reece Rush headed off to Adelaide recently to compete in the Oceania Youth Triathlon Series. The event was a 400m swim, 13km cycle and 3.5km run. Reece finished a credible 6th with only 30 seconds between 2nd and 6th places. An outstanding start to 2018!

Track Cycling

At the end of 2017, Jared Pidcock was named in the New Zealand Track team to compete at the Oceania Track Championships in Cambridge. Jared competed in the Scratch Race, Individual Pursuit, Points Race and Omnium. He then teamed up with three other cyclists to claim Bronze in the team pursuit which was raced over a distance of 4000m. Congratulations, Jared!

Henrietta Christie, Sian Morgan and Jared Pidcock competed in the Canterbury Track Championships in January which is a lead up to Track Nationals in Invercargill in March.

While competing in multiple events, top results were:

Jared	1 st in the Open Men's Points Race and 3 rd in the Scratch Race
Henrietta	2 nd in the U17 2000m Individual Pursuit and 4 th places in the U17 Girls Time Trial and Points race.
