

20 December 2017

Science Teacher (with Biology) to teach up to NCEA Level 3
Fixed term, Refreshment Leave, full time position for Term 2 2018

Thank you for your interest in this position. We look forward to receiving your application.

Lincoln High School is a contemporary state, co-educational school in a university town on the outskirts of Christchurch. Its roll has approximately 1600 students, including over 70 overseas fee-paying students. It draws from a semi-rural catchment area in the Selwyn District and many students travel to school by bus. The school is an equal opportunity employer and works within the principles of the Treaty of Waitangi. The staff is professional, talented, supportive and tolerant; its team approach is a major factor in the positive atmosphere of the school.

The paramount consideration at Lincoln High School is the needs of the students. The mentoring system, the house structure, and pastoral care system are designed to provide ongoing support and guidance to students. The school provides a warm and caring environment for its students and encourages them to become lifelong learners through individual learning, and learning with others.

The school's curriculum is very broad and is designed to meet the individual needs of the students. They work in an orderly, well-disciplined environment which emphasises a positive work ethic, personal responsibility and self-discipline. The school is future focused and collaborative with innovative learning spaces. We have a very enlightened Board of Trustees and a positive, supportive community.

The school has a reputation for innovation, forward thinking and excellence in all facets of school life. Our main focus is the development of a Learning Community, focusing on teacher learning as the leverage for improving student learning. Teacher learning teams are a feature of the school.

I am very proud to be the Principal of Lincoln High School and urge you to read our most recent ERO review.

In order to apply for the position please complete the enclosed application form and submit it along with a CV detailing:

- | | | | |
|---|--|---|---|
| 1 | Qualifications (including University Majors) | 5 | A summary of your own professional learning |
