WCS103 Work and Community Skills

WCS203 Work and Community Skills

* English, Mathematics and Science are compulsory at Year 11. Only English is compulsory at Year 12. Entry into these streamed courses at Years 11 to 13 is dependent on a student's results from the previous year. It is important for all students including Juniors to read the entry requirements for these courses so pathways and career requirements are identified at an early stage.
