### **KiwiSport Funding Use for Lincoln High School 2022**

In 2022, we employed two staff members to run the Sports Department to provide opportunities for our students to enjoy a wide range of sports. We also employed part time staff for the administration of the Friday night basketball and the LHS netball club.

The KiwiSport funding allowed for many opportunities including:

- Wednesday sport
- Saturday netball
- Planning and preparation for Summer and Winter Tournaments

We note the following from our 2022 involvement in sport which was again affected by Covid:

#### **2022 SSNZ Census**

- Participation rates for students 38%
- Participation rates for males 40% and females 37%
- Teaching staff involvement 28%
- Support staff involvement 12%
- Students competed in 27 different sports

Yours sincerely
