KiwiSport Funding Use for Lincoln High School 2020

In 2020 we employed three staff members to run the Sports Department to provide opportunities for our students to enjoy a wide range of sports.

The KiwiSport funding allowed for these opportunities:

Sports Co-ordinator: Basketball Administration 5 hours a week for 13 weeks
Tennis Coaching
Purchase of Ki-O-Rahi Equipment

We note the following from our 2020 involvement in sport which was affected by Covid, attributing to the decrease in numbers from the 2019 figures:

Participation rates for students 42%, a 4% decrease from 2019
Participation rates for males 43% and females 40%
Teaching staff involvement 30%
Support staff involvement 14%
Students competed in 31 different sports

Yours sincerely

Kathy Paterson
Principal
