KiwiSport Funding Use for Lincoln High School 2021

In 2021 we employed two staff members to run the Sports Department to provide opportunities for our students to enjoy a wide range of sports. We also employed part time staff for the administration of the Friday night basketball.

The KiwiSport funding allowed for these opportunities:

Sports Assistant: Basketball Administration
Tennis Coaching

We note the following from our 2021 involvement in sport which was again affected by Covid:

Participation rates for students 43%

Participation rates for males 44% and females 43% - increase in female participation of 3% from 2020

Teaching staff involvement 32%

Support staff involvement 29% - an increase by 15% from 2020

Students competed in 29 different sports

Yours sincerely
