

International Group Policy

Rationale:

Lincoln High School is committed to providing a quality programme that ensures the safety, wellbeing and the quality of social education of all International Student Groups studying at the school.

International Groups may be:

- Two or more students holding a group visa supplied by NZIS and studying for no more than three months on a visit organised by Lincoln High School
- A group of students on individual visas, studying together for no more than three months on a visit organised by Lincoln High School

Guidelines:

1. To promote international understanding and enhance the multi-cultural dimension of our school
2. To provide a supportive atmosphere both in the home and learning environment
3. To provide quality education and service including pastoral care and extra-curricular experiences reflecting this community and its environment
4. To ensure the enrolment system and pastoral care meets the requirements of the Education (Pastoral Care of International Students) Code of Practice for 2016
5. To ensure provision of economic support for the school and its community
