

## International Students: Group Policy

### Rationale:

The purpose of this policy is to provide information and guidance to all to ensure that Lincoln High School is committed to providing a quality programme that ensures the safety, wellbeing and the quality of social education of all International Student Groups studying at the school.

### International Groups may be:

- Two or more students holding a group visa supplied by NZIS and studying for no more than three months on a visit organised by Lincoln High School.
- A group of students on individual visas, studying together for no more than three months on a visit organised by Lincoln High School.

### Guidelines:

- To promote international understanding and enhance the multi-cultural dimension of our school.
- To provide a supportive atmosphere both in the home and learning environment.
- To provide quality education and service including pastoral care and extra-curricular experiences reflecting this community and its environment.
- To ensure the enrolment system and pastoral care meets the requirements of the Education (Pastoral Care of International Students) Code of Practice for 2021.
- To ensure provision of economic support for the school and its community.
